**ORDER**

This matter comes before the Court on review of the Receiver's Notice of Filing Revised Schedule A (Doc. #535) filed on April 8, 2021. The Receiver indicates that the version of Schedule A attached to the March 31, 2021, Motion for Court Approval of Interim Distribution Funds (Doc. #531) left off two approved claimants who elected not to participate in the prior distribution of FP Designee interests. The Receiver is submitting a revised version of Schedule A for future distributions, "if approved by the Court."

The Court previously adopted the Receiver's Proposed Objection Schedule on April 5, 2021, and provided that "Approved

Claimants shall have 14 days from the date of **this** order to file an objection with the Court." (Doc. #532, p. 2, ¶ a) (emphasis added).

The Receiver has served all approved claimants with a copy of the attached revised Schedule A (Doc. #535-1). The Court finds that a short extension of the objection period is appropriate, but only to the extent that it would be from *this* Order.

Accordingly, it is hereby

**ORDERED:**

The Receiver's Notice of Filing Revised Schedule A (Doc. #535) is **approved** and the Order Approving Receiver's Proposed Objection Procedure (Doc. #532) is **amended** so that Approved Claimants shall have 14 days from the date of this order to file an objection with the Court. The Clerk shall modify the docket entry for the Order (Doc. #532) to add a link to this Order "as amended by [document number] Order."

**DONE and ORDERED** at Fort Myers, Florida, this 9th day of April, 2021.
