ORDER

This matter comes before the Court on review of the Receiver's Motion for Court Approval of Interim Distribution of Funds (Doc. #531), which was taken under advisement. (Doc. #532.) The Receiver filed a Notice Concerning Proposed Distribution (Doc. #540) on May 10, 2021, indicating that no objections have been filed and the extended deadline imposed by the April 9, 2021 Order (Doc. #538) has expired. The Court finds no hearing is required, and the motion is ripe.

The Receiver's proposed interim distribution in the Motion for Court Approval of Interim Distribution of Funds (Doc. #531), as amended by the Revised Schedule A, is approved.

Accordingly, it is hereby

ORDERED:

The Receiver's Motion for Court Approval of Interim Distribution of Funds (Doc. #531), as amended by the Revised Schedule A, is **approved** as to the interim distribution of \$225,000,000 to all holders of Approved Claims as reflected in column 6 of the Revised Schedule A (Doc. #535-1).

DONE and ORDERED at Fort Myers, Florida, this 11th day of May, 2021.
